

## **Donor Privacy Policy**

Our Commitment to Our Donors –

We take your privacy seriously at 5 Gyres, and we will not sell, share, or trade our donors' names or personal information with any other entity, nor send mailings to our donors on behalf of other organizations.

This policy applies to all information received by 5 Gyres, both online and offline, on any Platform ('Platform', includes the 5 Gyres website and Kindful donation page), as well as any electronic, written, or oral communications. As a donor, you are automatically added to our newsletter list, but you can opt out whenever you wish.

To the extent any donations are processed through a third-party service provider, such as Kindful, Paypal, Crowdrise, Stripe, etc., our donors' information will only be used for purposes necessary to process the donation.

Otherwise, donor data, including contact information such as email, phone numbers, and physical addresses, is not shared without your permission or unless ordered to do so by a court of law. We publicly recognize donors who give over \$999 within our fiscal year in our Annual Report, but you may opt out or remain anonymous if you let us know by November of the year donated.
